eFax Phishing email scam!

2021-01-20 - Don Guilbeault - Comments (0) - General

Please be advised there is yet another SPAM/Phishing email going around that makes it look like it is from eFax. Please delete, do not click any links or open any attachments.

Identifying features of this Phishing email

1. Sender if from a company called Dabre Distribution that upon research seems to only sell products in the Minnesota
2. There is a fake To email that looks to be from some Family Law firm in California
3. The Link to retrieve the file is not hosted on eFax's service, looks to be hosted on some free web hosting service called nicepage.io

Thank you to the couple of Team Members that have forwarded this email to me for confirmation before opening.

When in doubt always ask or delete.

Regards,

Don Guilbeault
