eFax Phishing SCAM

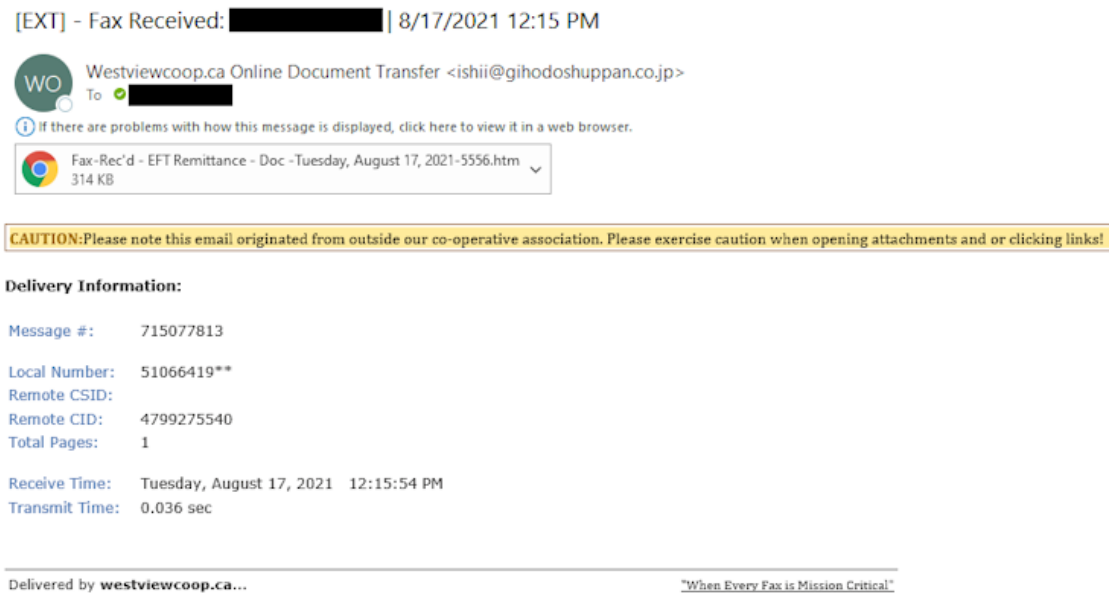

2021-08-17 - Don Guilbeault - Comments (0) - General

Good day everyone,

I would like to make everyone aware that there is another Phishing scam going around with reference to an eFax. This is a great time to remind everyone to **NOT** open any attachments from people you were not expecting communications from. Additionally; always avoid opening attachments that end in .htm or .html These are web based attachments that almost always are used for malicious purposes. I would also like to remind Team Members of the article on the Westview Co-op Helpdesk on tips to identify Phishing emails:

https://helpdesk.westviewcoop.ca/news/posts/7-signs-to-identify-phishing-emails

Here is an example of this new Phishing SCAM email variant:

[EXT] - Fax Received: [redacted] | 8/17/2021 12:15 PM

WO Westviewcoop.ca Online Document Transfer <ishii@gihodoshuppan.co.jp>
To [redacted]
