## **Microsoft 365 Phishing Scam**

2021-05-25 - Don Guilbeault - Comments (0) - General

Please be advised that there is another Microsoft 365 password Phishing scam going around. This scam is claiming that your password will expire today with a link to a website to keep your password. This is a Phishing attempt, do **NOT** click the link.

Below is an example of what the email looks like:

Regards,
