## PAYCHEX Phishing Scam

2025-03-26 - Don Guilbeault - [Comments \(0\)](#) - [General](#)

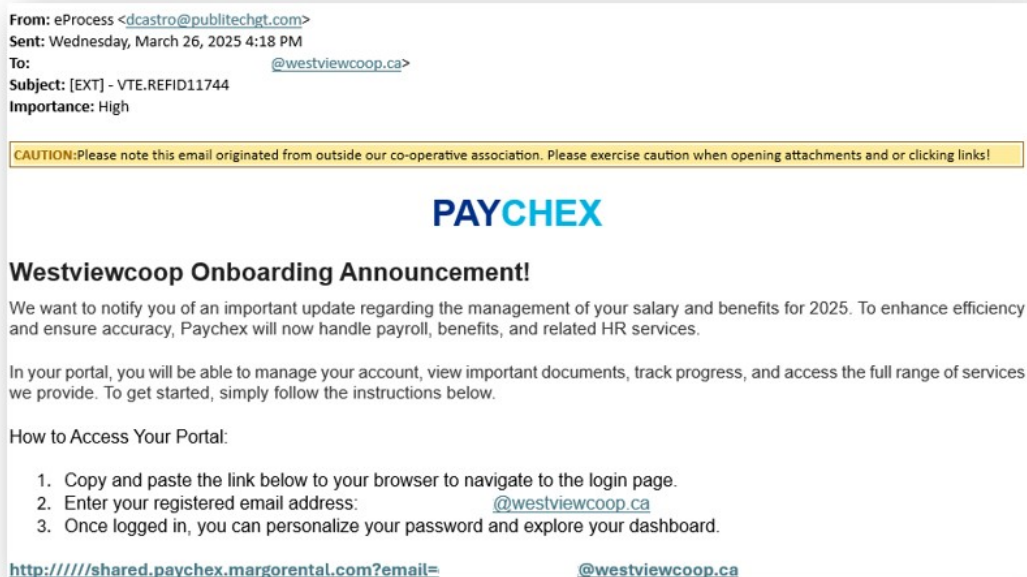

Please note there is a Scam Phishing alert that has been well crafted to look like a payroll communication:

### **Key Red Flags:**

1. Message body has 'Westviewcoop Onboarding Announcement'
2. Senders email address is not from Westview Co-op or FCL

This has been a well-crafted Scam email.

### **Example Below:**

If you see an email similar to this, do **NOT** click any links. Do **NOT** open any attachments. Delete the email and remember to also delete it from your Deleted Items.
