Phsihing Attempt 09/21/2022

2022-09-21 - Don Guilbeault - Comments (0) - General

Good Day All team Members,

Today's flavor of Phishing scam comes in the form of an "Incoming DocShare for [Westview email address]" claiming that you have a completed FaxDocument with a .htm attachment.

This is another phishing scam attempt. Please delete this email and remove it from your deleted items. Do not click any links or open the .htm attachment.

Regards,

Don Guilbeault
